COLUMBIA & SNAKE

These frontiers have called to explorers of history and adventurers of today for centuries. Here, the paths paved by Lewis and Clark chart through the timber and wild coastline, balanced by beautiful wine country and rich native American history. Here, adventure is always just around the bend.

DESTINATION HIGHLIGHTS

Astoria, Oregon

Astoria is known to be the oldest American settlement west of the Rocky Mountains. There is no doubting the richness of the history grounded in this Columbia River town. Today, you can climb to the top of the Astoria Column - wrapped in depictions of history - look out over the landscape toward the Pacific Ocean and watch your model wooden airplane glide through the air to its rest below.

The Dalles, Oregon

At the end of the overland Oregon Trail, The Dalles holds a unique place in history as a jumping-off spot for pioneers, soldiers, gold miners, adventurers, gun-slingers, floozies and scallywags. The Dalles, although a part of the Oregon High Desert, features a long growing season and a relatively warm climate that supports the growing of grapes. As a result, the region is home to a wine scene unlike any other in Oregon.

Richland (Tri-Cities), Washington

Step off the boat directly into a perfectly polished park, and take a short stroll to downtown shops, eateries and attractions. Incorporated in 1910, Richland remained a small agricultural community until it was acquired by the U.S. Army for the site of the Hanford Engineer Works - used to produce plutonium during World War II and the Cold War. Today, the historic B Reactor and other important historic venues are part of the Manhattan Project National Park.

PORTLAND TO **SPOKANE**

Pacific Northwest Splendor. As the American Empress transports guests through the rivers of the Pacific Northwest, evergreen and ever-beautiful, the landscape transforms from a majestic wall of spruce and pine to rolling hills speckled with vineyards and cherry trees. Here, Mother Nature presents her purest expression of life — untamed, spiritual and free.

To journey ashore is to see the world with awe-struck eyes.

Be fully present in the innermost reaches of Southeast Alaska's hidden wilderness. Be completely connected to the people and cultures in remote indigenous villages. Join a team of Cal Poly scientists exploring unspoiled Alaskan coasts — home to sea lions, humpback whales and hundreds of species of birds. Let the Tlingit people tell you stories of clan and kinship through their towering totem poles wrought of cedar.

Our shore excursions are designed to deliver a deeper, more insightful experience of people and their culture, history and traditions and of nature at its most sublime.

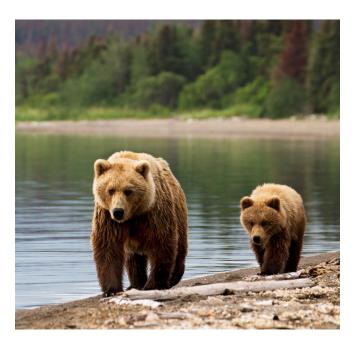

WILD BEARS OF ANAN Wrangell, Alaska

Venture into the Alaskan wilderness for a once-in-alifetime look at the forest's wildlife in their natural habitat. Travel by jet boat from Wrangell through the Eastern Passage to the Anan trailhead. Enjoy a scenic hike along the trail to reach the observatory. Anan Creek provided the perfect landscape for an observatory, as it is one of the largest salmon runs in Southeast Alaska. This makes it a prime location for the local bear population to feed, as well as bald eagles and harbor seals. At the Anan Bear and Wildlife Observatory, you will experience up-close views of these majestic creatures. Watch as they soar through the skies, climb trees, and search for food in the creek. Snap a photo or simply observe the awe-inspiring animals.

Prepare to enjoy the local culinary delights of Ketchikan on this experience your taste buds won't want to miss. Explore the cultures of the city, from history to food. A visit to "Totem Row" in Saxman Park will provide insight into the native culture that Ketchikan was built on. Then for the main course, you'll head to the scenic George Inlet Lodge. This rustic and remote building is elegant and full of history. Sit down to a brunch feast of unlimited fresh Dungeness Crab. Fruit, cheese, bagels with smoked salmon dip, and bottomless mimosas round out this hearty meal exploration.

INCLUDED EXPEDITION ADVENTURE Waterfall Coast (Gut Bay), Alaska

Today's challenge is trying to keep track of the number of waterfalls we'll encounter as we glide along Baranof Island's beautiful eastern coast, the little known "waterfall coast." Some trickle, some thunder, some simply splash merrily to the sea. Exploration is the order of the day, and you choose your point of view - from any of Ocean Victory's observation perspectives, or right at water level by kayak or Zodiac. Explore the tucked away bays and salt chucks at the very foot of sheer mountains and cliffs by zodiacs and kayak led by our team of naturalists. Watch for seals, deer, a brown bear and tidepools ready to reveal their secret treasures.

ADVANCE TRAVEL INFORMATION

For guests sailing aboard the American Queen, American Duchess, American Countess, American Empress: U.S. citizens or permanent residents of the U.S. traveling exclusively inside U.S. borders do not need a passport or visa for travel. Homeland Security laws require that all guests travel with government-issued photo identification (ID) (such as a driver's license) at all times. ID must be presented at the time of vessel check in. Guests without proper ID will be denied boarding. Carrier is required to provide all guests' ID information including ID number, expiration date and place of issue to the Coast Guard and / or other government entities prior to the vessel's departure. Guests must provide this information to Carrier in advance. Travel documents will not be released until received. Canadian citizens or permanent residents of Canada entering the U.S. are required to bring their passport. For other nationalities, passports are required to enter the U.S. It is your responsibility to check with your local U.S. embassy / consulate to confirm visa requirements and to obtain the proper visa.

For guests sailing aboard Ocean Voyager, Ocean Navigator, Ocean Victory, Ocean Discoverer: Each guest is responsible for obtaining valid passports, visas, proofs of citizenship and/or public health documents as may be required by governmental authorities or certain ports of call. Guest must provide identification information, including passport number, to Carrier in advance. In the event that Carrier provides courtesy advice to Guest regarding necessary travel documentation, Carrier does not warrant or guarantee the accuracy of such advice, and Guest remains solely responsible for independently verifying and obtaining appropriate documents. Passports must be valid for six (6) months beyond the conclusion of your voyage. Guest must present appropriate travel documents at time of boarding. Without proper documentation, Guest may be denied boarding by Carrier, and Carrier will not be responsible for any refund or be otherwise liable to Guest for such denial.

VACCINATIONS

COVID-19 vaccination is required for all guests and crew on all sailings. Vaccination documentation will be requested and must be provided prior to boarding. For pre-boarding, a Health Questionnaire will be emailed to guests 7 days prior to their pre-cruise hotel stay and must be completed within 48 hours of receiving the email. Guests will check in at the pre-cruise hotel stay on the day prior to embarkation. At this time, all guests will complete additional health screening questions. Guests are also subject to Federal, State and Local health and safety guidelines which may include Covid-19 testing. Vaccine and Covid-19 test information may be shared with third parties at Carrier's sole discretion.

HEALTH AND DISABILITY REQUIREMENTS

Guests must notify Carrier in writing at the time of booking of any physical or mental illness, disability or other conditions for which special accommodations or the use of a wheelchair is necessary or contemplated. Also, we must be notified of any medical treatment that may render the Guest unfit for travel or constitute a risk or danger to the Guest or anyone else on board. The vessels may not carry a medical doctor on board. Acute medical conditions may require you to disembark to be attended to by shoreside emergency and / or medical response, and you are advised that, due to the nature of travel by water, emergency medical evacuation may be delayed or impossible. Guests needing any form of assistance and those who are physically disabled must be accompanied by someone who will take full responsibility for any needed assistance during the cruise and in the event of an emergency. Carrier reserves the right to refuse passage to anyone who, in our sole opinion, may affect the health, safety or enjoyment of other guests. Guests requiring a wheelchair must provide their own collapsible wheelchair. Please be aware that some ports of call, shore excursions, docks, gangways and other requirements may preclude a wheelchair guest from leaving the vessel; this decision will be made by the master of the vessel, and is binding. Also, there may be certain physical conditions, including raised doorway thresholds from 2 to 16 inches, stairways and narrow passageways within the vessel that may limit or preclude the accessibility of wheelchair guests to some areas. Carrier recommends that Guest purchase travel protection, either the plan we offer or a plan from your travel agent. With travel protection, you can relax and enjoy your trip with some peace of mind.

ACCOMMODATIONS

We would like to remind you that cruising aboard our elegant paddlewheel vessels is unique. While many guests love the allure of the traditional paddlewheel experience, others may find the turning of the paddlewheel and nostalgic purr of the engines to be slightly noisier than they would like at times. Please be mindful of that when selecting your stateroom so that you reserve the appropriate accommodations for your ideal river cruise experience.

Guests are permitted to bring drones on board the vessel, however, they may be operated only on shore and outside of the port area. Operation of drones on board the vessel is strictly prohibited, and any onboard use may result in confiscation of the drone until the conclusion of the voyage or disembarkation of the Guest (at the Guest's expense). While on board, drones must be stored safely within the stateroom.

Guests assume full responsibility for understanding and complying with local regulations related to drone usage, including obtaining any necessary permits or permissions. All liability related to or arising from drone operation whatsoever is the Guest's responsibility.
